

# DFC PROFESSIONAL INTERNSHIP PROGRAM

## PROGRAM SUMMARY

Professional Internship Program provides the opportunity to develop real-world, professional experience in paid internships at leading organizations throughout the Twin Cities. Before students declare a major they get the chance to explore industries, develop professional skills and begin to build a professional network.

### How It Works

- Prepare: FYE/Professional Development
- Match: Begins mid-March (ongoing)
- Interview & Onboard with internship host
- Go to work

## FAST FACTS

- \$18.50/Hour Average
- Internships can be...
  - Summer Only
  - Summer, Fall, Spring
  - Fall & Spring
- 325 students have completed internships since the start of DFC
- 95 internship partners have hosted an intern since the start of DFC

## PROGRAM GOALS

### Build Professional Skills

### Explore Careers & Industries

### Develop Social Capital
